Dear Pat,

It is a pleasure for Epping Fire Brigade to work and deal with your team at Conundrum Holdings. Your support for the Brigade and the local community is to be commended, and also for your help to the Brigade in the donation of time and heavy machinery when fires are in the area.

Your company shows the true Aussie spirit of mateship and generosity. I highly recommend your business and services to other business owners.

Very truly yours

Michael Cawthan, Secretary
Epping Fire Brigade
