

Conundrum Holdings Pty. Ltd.

Plant Maintenance & Fabrication Employee

Conundrum Holdings is a family-owned Victorian business with a reputation for industry leading practices. We pride ourselves on providing choice and opportunity to both our team and community with quarries and pre-mixed concrete sites.

Why join our Team?

Our supportive team with 50+ years of experience has a strong commitment to the Health, Safety and Wellbeing of our people and we are proudly a smoke free worksite. We offer great conditions, modern equipment, job security and will reward your hard work with career progression opportunities and above Award rates.

What's the Role?

An exciting opportunity exists for an organised and self-motivated individual to join our team, undertaking fabrication, repairs and maintenance of our mobile and fixed plant.

Site: Stawell Quarry

Location: Stawell, VIC

Employment type: Full time

Working Hours: 40+ hours/week (overtime as required, including rotating Saturdays).

Remuneration Package: The remuneration package will be discussed with short-listed applicants. Above award rates drawn from the Cement, Lime & Quarrying Award are offered with annual wage reviews.

Training Opportunities: A personalised training program (including on-the-job and Certified training) will be provided.

Duties Include

- Carry out repairs and maintenance on mobile plant (e.g. dump trucks, excavator, loaders etc) and fixed plant (e.g. crushers, screens, bins and feeders, pug mill etc) including reporting of any maintenance issues (faults, failures, wear, breakages etc.) so that repairs can be scheduled.
- Compliance to all company policies and documentation assisting in the safe and efficient operation of our fixed and mobile plant.
- Participate in programming repairs and engage in activities to enhance safety and lower the cost of production.
- Installation and upgrade of existing plant and equipment including assisting others in performing maintenance tasks and fabricate new plant capital.
- Using your initiative and making suggestions for continuous improvement.

Conundrum Holdings Pty. Ltd.
