## Quarry Manager - Processing

Conundrum Holdings is a family-owned Victorian business with a reputation for industry leading practices. We pride ourselves on providing choice and opportunity to both our team and community with quarries and pre-mixed concrete sites.

### Why join our Team?

Our supportive team with 50+ years of experience has a **strong emphasis on health, safety and wellbeing**. We are proudly a smoke free worksite. We offer great conditions, modern equipment, job security and will reward your hard work with career progression opportunities and above Award rates.

### What's the Role?

Based at Stawell Quarry we are offering a fantastic opportunity to work in a supportive environment with a strong focus on training and development giving you the ability to expand on your leadership, engineering and business skills in our growing business.

**Site:** Stawell Quarry

**Location:** Stawell, VIC 3380

**Employment Type:** Full-time

**Working Hours:** 40+ hours/week (overtime as required, including rotating Saturdays).

**Remuneration Package:** A highly attractive remuneration package is on offer for the suitably qualified candidate including superannuation + travel allowance. This position will fall under the *Cement, Lime and Quarrying Award*.

**Training Opportunities:** On-the-job training offered, heading towards undertaking *Diploma of Surface Operations Management* (if not already qualified).

### Duties Include:

- **Managing all employees, contractors and capital plant** in the Processing Area of Work.
- Comply with company policies, documentation and all applicable **acts and regulations** to ensure the safe performance of all duties.

### Do you have what it takes?

- Strong work ethic and commitment to make things happen
- High level of problem solving, analytical and planning skills.
- Preferable to have experience with SAP and Citect control systems.
- Honesty, integrity, fairness and a positive attitude.
- High personal hygiene and presentation standards.
