Batch Plant Operator

Conundrum Holdings is a family-owned Victorian business with a reputation for industry leading practices. We pride ourselves on providing choice and opportunity to both our team and community with quarries and pre-mixed concrete sites.

Why join our Team?

Our supportive team with 50+ years of experience has a **strong emphasis on health, safety and wellbeing**. We are proudly a smoke free worksite. We offer great conditions, modern equipment, job security and will reward your hard work with career progression opportunities and above Award rates.

What's the Role?

An exciting opportunity exists for an organised and self-motivated individual to join our Horsham team, undertaking a combination of practical and administrative tasks in the batch plant.

Site: Wim Mix Concrete

Location: Horsham, VIC 3400

Employment Type: Full-time

Working Hours: 38+ hours/week (overtime as required)

Remuneration Package: The remuneration package will be discussed with short-listed applicants. Above award rates drawn from the *Pre-Mixed Concrete Award* are offered with annual wage reviews.

Training Opportunities: A personalised training program (including on-the-job and Certified training) will be provided.

Duties Include:

- Overseeing the **operation of a concrete batch plant**.
- Accepting, setting up and dispatching customer orders, including truck scheduling.
- Comply with company policies, housekeeping standards, and reporting requirements to ensure the safe performance of all duties.
- Maintain communications with your Manager and others in your AW and undertake all activities in a diligent and efficient manner.

Do you have what it takes?

- Demonstrated experience in Ubatch software and hardware system.
- Concrete industry experience.
- Front end loader licence and HR licence advantageous.
- Honesty, punctuality, courtesy and be able to develop rapport with customers and workmates.
- High personal hygiene and presentation standards.
