Quarry Manager - Processing

Conundrum Holdings is a family-owned Victorian business with a reputation for industry leading practices. We pride ourselves on providing choice and opportunity to both our team and community with quarries and pre-mixed concrete sites.

Why join our Team?

Our supportive team with 50+ years of experience has a **strong commitment to the Health, Safety and Wellbeing** of our people. Your hard work will be rewarded with career progression opportunities and above Award rates.

What's the Role?

- **Managing all employees, contractors and capital plant** in the Processing Area of Work to meet production requirements.
- **Comply with company policies**, documentation and all applicable **acts and regulations** to ensure the safe performance of all duties.
- **Maximise plant availability** by maintaining housekeeping and maintenance expectations.

Site: Stawell Quarry

Location: Stawell, VIC 3380

Employment Type: Full-time

Working Hours: min. of 40 up to max. 52 hours per week (overtime as required).

Remuneration Package: a highly attractive remuneration package is on offer for the suitably qualified candidate with an **annual wage opportunity of earning between \$155,000 - \$170,000 + superannuation + travel**. This position will fall under the *Cement, Lime and Quarrying Award*. All leave entitlements, including 13 RDOs /year.

Training Opportunities: On-the-job training offered, working towards undertaking *Certificate IV of Surface Extraction Operations* (if not already qualified).

Do you have what it takes?

- Engineering qualifications or previous experience would be advantageous.
- Strong work ethic and commitment to make things happen.
- High level of problem solving, analytical and planning skills.
- Experience with SAP and Citect control systems (preferred)
- Honesty, integrity, fairness and a positive attitude.
- High personal hygiene and presentation standards.
